Inter-School Science Challenge Cup Winners!!

Dear Parents,

A huge congratulations must go out to our year 5 representatives from Holland who have won the inter-schools Science Challenge Cup competition held at Oxted School.

Over the course of this term, along with Lingfield, St Catherine's and St Mary's, our two year 5 teams from Holland, very aptly named 'Einstein Maniacs' and 'High Voltage', have taken part in a number of different scientific experiments, trials and investigations at Oxted school.

Not only were the children wonderful ambassadors for the school but they achieved the accolade of winning the challenge and the cup!

A big well done to Bethany, Dylan, Connor, Frances and Nikolai from Maple class, and Max, Oliver, Ellie, Millie and Jake from Beech class.

Yours sincerely,
