## Parking

Dear Parents/ Carers,

Parking outside the school remains a concern, especially at pick up time at the end of the day.

To this effect, last term we coned off the slip way at the front of the school to allow a safer exit point for pupils and parents leaving the school- this will continue this term. It is vital that the areas in front of, and around the slip way are kept clear, to ensure the children have clear visibility when crossing the road. To this end I need to restate the importance of parents not parking in front of the cones or right up on the pavements on the corners outside the school; as this not only limits visibility for people crossing the road, but also restricts access for pushchairs and pedestrians. Additionally, the dropped kerbs and zig zag lines are not to be parked on at all, as this makes it particularly dangerous for children trying to cross in these areas.

We are in contact with Surrey Police, who will be undertaking routine patrols in both marked and unmarked cars to monitor the situation.

Thank you in advance for your co-operatoin in this matter

Yours sincerely,
