Dear Parents/Carers,

## Annual Parent Questionnaire 2015/2016

Each year we ask all families to complete this questionnaire so that the school leadership team and the school governors can determine future priorities for school development.

The request for you to complete this questionnaire at this time of the year is to ensure your comments can form the basis of the next school development plan.

This afternoon your child will be bringing home a hard copy of the questionnaire in their bookbags. Please take the time – approximately 20 minutes – to complete the questionnaire so that we can continue to improve your child's school experience. Where possible, please include specific comments so that we can understand why a particular grade has been given – it is the comment that is mostly likely to be used to improve school practise.

We would like to receive as many responses as possible to ensure that we gain the widest range of views on which to base our decisions.

Please complete and return your questionnaire to the school office by Friday 1<sup>st</sup> July.

Once the feedback has been analysed findings will be shared with all parents. Thank you in advance for taking the time to complete this questionnaire.

Yours sincerely,
