

KEEP

Dear Parents/Carers of Year 6 Children,

In order to fully prepare our Year 6 pupils for their SATs tests in the Summer Term we will be running a “SATs Mock Week” during the week commencing 25th February. We feel that our pupils need to experience sitting such tests under test conditions which, for the majority of our children, involves sitting in the school hall at separate tables; this is a very different atmosphere to that of the classroom. We aim to ensure that when the children sit the official tests in May, as little as possible is unfamiliar to them. We **do not** however, want our Year 6 pupils to spend the half term break intensively revising or unduly worrying about the mock tests as there is still plenty of time before the official tests which the teachers will be using for guided revision in class.

Kind regards,

Gill Robertson

YOUR BEST!
