Dear Parents/Carers

### Pupil Stationery

Due to cuts in the school budget we are unfortunately having to reduce the amount of stationery which we are able to provide for the children.

However, we are aware that good quality pencils and pens are not cheap to buy in the shops. We therefore stock a range of items in school for sale to pupils and parents and are able to pass the savings on to you. The school does not make any profit on the sale of any equipment listed below.

The items can be purchased by parents either by visiting the office or by the children at playtime from the stationery shop.

It is especially important that Year 6 children become accustomed to bringing in their own stationery in preparation for Secondary School as none is provided there. We would urge that you label all your child's belongings to avoid them getting mislaid in the classroom.

Due to cuts in the school budget we are unfortunately having to reduce the amount of stationery which we are able to provide for the children.

However, we are aware that good quality pencils and pens are not cheap to buy in the shops. We therefore stock a range of items in school for sale to pupils and parents and are able to pass the savings on to you. The school does not make any profit on the sale of any equipment listed below.

The items can be purchased by parents either by visiting the office or by the children at playtime from the stationery shop.

It is especially important that Year 6 children become accustomed to bringing in their own stationery in preparation for Secondary School as none is provided there. We would urge that you label all your child's belongings to avoid them getting mislaid in the classroom.
